NARRATIVE:

Brian Edwards has an extensive adult criminal history that began at the age of 19. His convictions include carrying a concealed weapon in a vehicle, carrying a loaded firearm in a public place, burglary, DUI, false ID to a peace officer, possession of controlled substances, carrying a concealed dagger, trespassing and failure to appear. He has served multiple incarcerations, the longest being a 16 month term for carrying a concealed weapon in a vehicle. Edwards was released from state prison to the supervision of the Los Angeles County Probation Department on December 13, 2011. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in November 2014 after he absconded from post release community supervision (PRCS). Edwards qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for burglary is defined as non-serious and non-violent under the California penal code. His criminal history and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
